

What is it?

The DofE Award is a real adventure from beginning to end, it doesn't matter who you are or where you're from, so long as you're 14 and over. There are 3 levels Bronze, Silver and Gold.

What will I do?

You achieve your Award by completing a personal programme of activities in sections Volunteering, Physical, Skills, Expedition and for Gold, a Residential. You'll find yourself helping people or the community, getting fitter, developing skills, going on an expedition and taking part in all sorts of activities.

How do I choose?

That's the best bit, you choose, it can be full of activities and projects that get you buzzing and along the way you'll pick up experiences, friends and talents that will stay with you for the rest of your life.

Why do it?

Good question! Because, from the first day to the last it's a real adventure. Every section gives you something different – that's the fun of it!

Then there's all the other stuff....

....achieving an Award will give you skills, confidence and a view on life that everyone is looking for, from employers to colleges and universities.

....you're getting recognised for doing things you want to do (and may even be doing already).

....you'll make a difference to other people's lives and your community, make new friends and have memories to last you a lifetime.

And above all, it's a great laugh – the question should really be why wouldn't you bother!
