## Online Brigade Manager

Online Brigade Manager (OBM) is a brand new way for Witham BB to do administration work in one simple, secure, system.

Parents can do a number of things on OBM:

- **Keep your details up to date.** You can fill in the annual consent form online, if you move away or your mobile/email changes you can update it online.
- **Sign up for events and outings.** When we head out to bowling etc you will be invited to the event online and you can sign your member up.
- **View the programme.** The termly programme will be available online with what games and crafts you are going to be taking part in each evening.
- See your child's badge progress.
- **Pay subs.** Eventually you will be able to pay for your subs, uniform etc through OBM. Please keep an eye out for details on this in the next few months.

You will have received an email with a link inviting you to use OBM. You will need to click on the link and set up your own login information. If you have not received an email please let us know and we will get one sent to you.

We understand that this is a whole new system to get used to but we feel in the long run this is a fantastic way of communicating with parents which has been an issue in the past.

Below is a link to a video on how to use OBM
