FAITH IN YOUNG PEOPLE

Witham BB Online Brigade Manager (OBM)

To Parents/Carers

This year, we are launching a new online system called Online Brigade Manager. This will help with general administration, record keeping and communication. It allows you to login details about your child, access events, view the upcoming programme and update contact details online.

We will be sending an email out with a link to the OBM system so please keep an eye out for it (it may appear in your spam).

Emails and Texts

On the OBM system we will be able to send emails and texts to parents with details about a certain evening or an upcoming event.

Please write your preferred phone number to receive texts on the slip below.

Events

We can now organise events, such as Camp, overnights and Battalion Competitions through OBM – this allows us to invite you via an email, and for you to respond online. It will have all of the details on cost and what to bring on there.

Upcoming programme

You will be able to see information about what is on at every BB evening. You will be able to update your calendar on your phone and all of the programme details will be available on your mobile.

In order for the OBM to be successful we need everyone's email. Please can you fill in the slip below with your email address so that we can email you a link to OBM. And your mobile number to receive texts from us.

REPLY SLIP: Please return slip to Chris Adkins or alternatively Email your response to [**chris@2withamboys-brigade.org.uk**](mailto:chris@2withamboys-brigade.org.uk)
